LEGS – TREASURER'S REPORT – 2026

Firstly, I am most grateful to David Steel for once again inspecting these accounts on behalf of our members.

Our membership increased to 29 this year, and we warmly welcome Hanif Patel to LEGS. At this level of membership, the subs raised at £20.00 per member continue to cover the cost of prizes.

Last year I reported that by raising the match fee this year to £60.00 we were expected to make a small loss, however, due to a small contribution from the Tour, we ended the year with a final match profit of £41.00. With some further increases for next year being passed on by some clubs, we have a choice to make at the AGM. Either keep the match figure at £60.00, which we forecast will result in the loss of a few hundred pounds, or raise the figure to £65.00 which will result in us making a substantial profit at the year end.

I would like to thank Andrew for making all our wine purchases, and again thank Tom for storing our wines at a perfectly controlled temperature in his vast cellar.

Paul Jones has done a fine job again sourcing a variety of LEGS clothing at very reasonable prices. It's good to see even more LEGS garments out on the course.

Bob, following a number of stocktakes, has now finally confirmed that his stock of ties now totals 15 having sold one to Hanif this year. It is good to know that our tie stock is being so well managed!

For the past seven years the club has paid for trophy engraving, and on behalf of our winners I would like to thank Richard Ebbs for organising this so efficiently.

This year our Captain's charity collections raised an outstanding total of £2,752. We have already sent Primrose Cars an advance payment of £2,000 which they greatly appreciated, and we will pay the balance following the AGM.

In summary, I am pleased to report that we remain in a strong financial position with our balance sheet increasing by £67. The inspected accounts are attached with this report showing a balance sheet totalling £3,683.

Following discussion with my fellow committee members, we recommend to the AGM that due to our strong balance sheet we should leave our match fee at £60.00 for one more season and keep subs at £20.00. We also suggest that all LEGS members continue to pay a standard fee of £25.00 when playing at their home course.
